Bike-A-Thon

4-H'ers sponsor event

The 4-H Clubs of Appomattox County are sponsoring the American Cancer Society Bike-A-Thon on Sunday, Oct. 21, beginning at 1 p.m. Starting point will be announced later. In the event of rain, the event will be held on Oct. 28 beginning at 1 p.m.

The Bike-A-Thon is the American Cancer Society's annual fund raising event.

Chairman of the Appomattox Bike-A-Thon this year is Jeannice Bartelt and she would like to remind people "Sponsor-pledge sheets are available in the library of the Appomattox Middle School, library at Appomattox County High School and at the County Extension Office."

Adults are well as youth are invited to participate.

"We are told that one out of every three persons will get cancer," said Frank Sweet, Appomattox County extension agent. "In a classroom of 30 students, that would mean that 10 will get cancer according to the statistics," Sweet added.

"I am willing to visit with any group interested in participating in the Bike-A-Thon and discuss the need for participation and try to answer any questions they may have about the event," Jeannice said. She can be reached by calling 352-8936.

Each participant in the Bike-A-Thon will receive a certificate and a Bike-A-Thon pin. Three trophies will be given to the three fund-raisers with the highest amounts.

Refreshments will be provided by the Pepsi-Cola Company and members of the American Cancer Society who will furnish home baked cookies.

Of the funds raised by the Bike-A-Thon, 50 percent will come back to Appomattox County to be used for cancer patients. Included in this is the provision of rehabilitation programs for cancer patients; transportation of cancer patients to and from doctors appointments; films available in local school libraries; the loan closet and other needs.

Forty percent of the money collected will go to research and ten percent will be used for business management.

"I urge you to be most cooperative when asked to sponsor a participant in this year's Bike-A-Thon" said Jeannice. "We need you help."

We are thankful for the nice rain. Farmers are busy working on hay.
